## TECHNOLOGY

# KYTO INVESTMENT HISTORY

# KYTO PORTFOLIO

*Updated June 1, 2023*

# KYTO Life Science Portfolio Highlights

## Achelios Therapeutics
Chapel Hill, NC
http://achelios.com

Trans-dermal delivery of drugs for TMJ

## Seal Rock Therapeutics
Seattle, WA
www.sealrocktx.com

Focused on NASH fatty liver opportunities

## CoLabs Inc
Morgan Hill, CA
www.colabsmedical.com

Device to improve oxygen flow for heart attack victims

## FemtoDx, Inc.
Los Angeles, CA
www.femtodiagnostics.com

Dr. office blood tests for cancer

## Exodos Life Science
Chapel Hill, NC
www.exodosls.com

Incubator funds promising biotech research & spins out

## KitoTech Medical
Seattle, WA
www.kitotechmedical.com

Wound closure devices to replace stitches

# KYTO Life Science Portfolio Highlights

## Mitre Medical
Morgan Hill, CA
www.mitremedical.com

Medical heart device not requiring chest opening for insertion

## NeuroFlow
Philadelphia, PA
www.neuroflowsolution.com

Software for hospitals to ensure mental patient compliance with programs

## Basepaws, Inc.
ACQUIRED
El Segundo, CA
www.basepaws.com

First consumer Cat DNA kits and study of nutrition relation with DNA

## Promaxo
Oakland, CA
promaxo.com

Low-Cost MRI Machines for early cancer detection

## SageMedic, Corp.
Redwood City, CA
www.sagemedic.com

Direct testing of dozens of therapies upon 3D micro-tumors

## Valfix
Tel-Aviv, Israel
www.valfixmed.com

Trans-catheter solution offering a viable alternative to open heart surgery

# KYTO Life Science Portfolio Highlights

## Otomagnetics, Inc
Rockville, MD
http://otomagnetics.com

Non-invasive magnetically assisted drug delivery to ears, eyes, and skin

## Trellis Bioscience LLC
Redwood City, CA
http://trellisbio.com

Fighting antibiotic resistance and viruses with human-derived rare and optimized antibodies

## Cyberdontics
Victoria, BC, Canada
www.cyberdontics.ai

Painless automated laser-based crown surgery

## Deep Blue Medical Advances, Inc.
Durham, NC
www.deepbluemedical.com

Novel hernia mesh solution

## LifeWave Biomedical, Inc.
Los Altos, CA
www.lifewavebiomed.com

Non-invasive lung sensor improving the clinical management of patients with CHF

## Light Line Medical, Inc.
Salt Lake City, UT
www.lightlinemedical.com

Proprietary visible-light method for preventing and treating infections

# KYTO Life Science Portfolio Highlights

## Visgenx, Inc.
San Diego, CA
visgenx.com

Therapeutics for Age-related Macular Degeneration (AMD)

## Green Sun Medical
Fort Collins, CO
www.greensunmedical.com

Dynamic spinal alignment brace for scoliosis

## Xpan Inc
Toronto, Canada
http://xpanmedical.com

Next-gen expandable trocars for minimally invasive surgical access

## Altis Biosystems
Chapel Hill, NC
https://altisbiosystems.com

Stem cell technology that recreates the human intestinal epithelium

ACQUIRED

## Lowell Therapeutics, Inc.
Lowell, MA
http://ltx.life

Anticoagulant for dialysis patients

## Inhalon Biopharma Inc.
Chapel Hill, NC
www.inhalon.com

Monoclonal antibodies for the treatment and prevention of respiratory infections

# KYTO Life Science Portfolio Highlights

## BendaRx Corp
Montreal, Canada
bendarx.com

Gentler chemotherapeutics targeting blood cancers

## Octagon Therapeutics
Cambridge, MA
www.octagontherapeutics.com

Targeted inhibition of diseased immune cells while sparing beneficial immune functioning

## Avisi Technologies Inc.
Philadelphia, PA
www.avisitech.com

Next-gen aqueous shunt to treat glaucoma

## i-Lumen Scientific, Inc.
Bloomington, MN
www.i-lumenscientific.com

Non-invasive pulsed microcurrent stimulation to treat dry AMD

## EuMentis Therapeutics Inc.
Boston, MA
http://eumentistx.com

Novel therapeutics for treating neurodevelopmental and neurodegenerative diseases

## Orion Biotechnology Canada, Ltd.
Ottawa, Canada
https://orionbiotechnology.com

Novel chemokine analogs for oncology, neuroinflammation, and infectious disease treatments

# KYTO Life Science Portfolio Highlights

## Perikinetics, Inc.
San Francisco, CA
http://pkhealth.co

True “set it and forget it” artificial pancreas for diabetes management

## iDentical, Inc.
Mountain View, CA
www.identicalimplant.com

Personalized, drill-free dental implants modeled from the patient’s own tooth

## CorInnova, Inc.
Houston, TX
www.corinnova.com

Minimally invasive non-blood contacting cardiac device to treat acute heart failure

## New View Surgical, Inc.
Boston, MA
http://newviewsurg.com

Visualization of the surgical field directly through each access port

## Astrocyte Pharmaceuticals Inc.
Cambridge, MA
www.astrocytepharma.com

Neuroprotection therapies for TBI, concussions, & stroke

## Navaux, Inc.
Little Rock, AR
www.navaux.com

Quantifying circulating levels of Hepsin in the blood for early cancer detection

# KYTO Life Science Portfolio Highlights

## PreView Medical, Inc
Longmont, CO
www.previewmedical.com

Smarter biopsy needle with integrated optics for real-time spectroscopy

## Neuro42
Oakland, CA
http://neuro42.ai

Portable MRI for neuro imaging and interventions

## Healionics
Seattle, WA
https://healionics.com

Artificial blood vessel for dialysis greatly reducing occlusions and infection

## Madorra
Portland, OR
www.madorra.com

Medical device that restores vaginal vibrancy without hormones

ACQUIRED

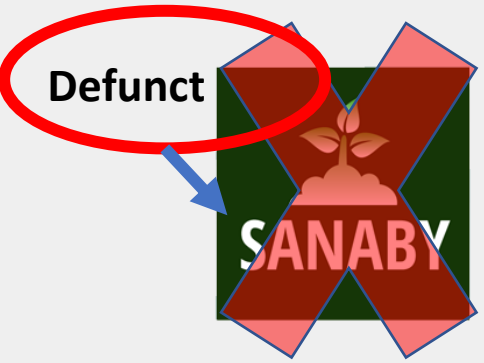

## AbFero Pharmaceuticals
Boston, MA
www.abferopharmaceuticals.com

Dedicated to treating diseases of iron overload

## Makani Science
Irvine, CA
https://makaniscience.com

Wearable patch sensor that continuously monitors breathing

# KYTO Life Science Portfolio Highlights

## Sanaby Health Acquisition Corp., LLC
San Francisco, CA

SPAC targeting digital healthcare & technology

## AOA Inc.
Boston, MA
www.aoadx.com

Extremely sensitive liquid biopsy detection method for ovarian cancer

## Single Pass Inc.
Lake Forest, CA
singlepass.co

Patented disposable bipolar electrocautery device

## Saccharo, Inc.
Oakland, CA
www.saccharo.com

Proprietary mAbs against a novel cancer target

## Patheous Health, Inc.
Leawood, KS
www.patheous.health

Mobile dysphagia diagnostics to improve the assessment and treatment of swallowing impairment

## Rhaeos, Inc.
Evanston, IL
www.rhaeos.com

Wearable wireless skin sensors that can assess flow throughout the body

# KYTO Life Science Portfolio Highlights

## VESTECK Inc.
West Chester, PA
vesteck.com

"Suture-Tight" catheters that secure endovascular aortic repair grafts to the aorta

## Discure Medical
Herzlyia, Israel
www.rainbowmd.com

Minimally invasive implant to reverse spinal disc degeneration

## Trio Labs
Morrisville, NC
www.trio-labs.com

Proprietary 3D printing technology for precise micro metal components

## Nanochon, LLC
Burke, VA
www.nanochon.com

3D printed implants to replace lost or damaged cartilage

## Life Detection Technologies
Sunnyvale, CA
lifedetectiontechnologies.com

Contactless device captures overnight heart and respiration rates for remote care of chronically ill patients

## Celero Systems, Inc
Lincoln, MA
www.celerosystems.com

Ingestible "smart pill" system to detect and reverse opioid overdose

# KYTO Life Science Portfolio Highlights

## Sanolla
Nesher, Israel
sanolla.com

Smart infrasound-based diagnostics for physicians and patient self-assessment

## AmplifiDX
Newark, CA
www.amplifidx.com

Next-gen molecular point-of-care disease testing platform

## KalGene Pharmaceuticals
Montreal, QC, Canada
www.kalgene.com

Alzheimer's disease lead molecule with no ARIA risk and superior biological efficacy

## InterShunt Technologies, Inc.
Plymouth, MN
intershunt.com

Interatrial shunting device for the treatment of heart failure that requires no implant and no energy

## Cardiokol
Airport City, Israel
www.cardiokol.com

Voice-based markers and methods for monitoring and screening heart rhythm disorders

## Response Pharmaceuticals
McLean, VA
responsepharmaceuticals.com

Developing first-in-class iMTP inhibitor for treating the metabolic side effects of antipsychotic drugs

# KYTO Life Science Portfolio Highlights

## CorIT Medical
Arlington, VA
coritmedical.com

Single use surgical device for the reduction of inferior turbinates in patients with obstructed breathing

## NuvOx Pharma
Tucson, AZ
www.nuvoxpharma.com

First-in-class oxygen therapeutic to treat life-threatening diseases where hypoxia plays a role

## FluidAI Medical
Kitchener, ON, Canada
fluidai.md

Real-time monitoring for anastomotic leaks

## Rapid Nexus
Irvine, CA
rapidnexus.com

Nanotechnology wound treatment system for chronic and nonhealing wounds

# KYTO Technology Portfolio Highlights

## inBay Technologies Inc.
Ontario, Canada
www.inbaytech.com

Enterprise authentication technology that cannot be hacked

## Shyft
Miami, FL
shyftmoving.com

Technology to reduce costs and improve the moving experience

## Boardwalktech, Inc.
Cupertino, CA
www.boardwalktech.com

Patented digital ledger for collaborative enterprise applications

## Beam Semiconductor
Rehovot, Israel
beamshaping.io

Compact **5G** 60 GHz radio for wireless backhaul

## CNote Group, Inc.
Oakland, CA
www.mycnote.com

Alternative products offering higher returns for savers

## Enduralock
Lenexa, KS
www.enduralock.com

Vibration resistant fasteners for aerospace and oil & gas

# KYTO Technology Portfolio Highlights

## Micronic Technologies Inc.
Bristol, VA
www.micronictechnologies.com

Industrial wastewater purification technology approaching 100% water reuse

## infiniDome
Caesarea, Israel
www.infinidome.com

End-to-end GPS protection from jamming attacks

## Semplus
Palo Alto, CA
semplus.com

Touch and force technology for auto displays and smart surfaces

*(initial valuation too aggressive)*

**Defunct**

## Everykey Inc
Cleveland, OH
everykey.com

Bluetooth key replacement device for phone, laptop, house, and car

## Kiana Analytics, Inc.
Sunnyvale, CA
https://kiana.io

Device detection & location-based analytics to automate site management, physical security, & digital contact tracing

## RiSo Capital (India Fund)
Saratoga, CA
https://risocapital.com

Seed investor for India based tech start-ups

# KYTO Technology Portfolio Highlights

ACQUIRED

CONNECTUS

## ConnectUs Global
Calgary, Canada
www.connectusglobal.com

Real-time location systems for a smarter and safer workplace

## mmTron Inc.
Belmont, CA
mmtron.com

5G mmwave ultra-linear power-efficient broadband products

## IRIS R&D Group Inc.
Burlington, ON, Canada
www.irisradgroup.com

End-to-end data collection and reporting for smart cities and automated road monitoring

## KuantSol
Palo Alto, CA
www.kuantsol.io

Simplifying the process of predictive modeling

## Polymertal Ltd.
Haifa, Israel
polymertal.com

New breed of metal-infused polymers

## Marel Power Solutions, Inc.
Saline, MI
marel-power.com

Miniaturized and scalable high-density power stack platform for inverters

# KYTO Technology Portfolio Highlights

## EarthGrid
Richmond, CA
www.earthgrid.io

Plasma tunnel-boring robot, 100X faster with lower cost

## Crediwatch
Bangalore, India
www.crediwatch.com

Credit intelligence, financial insights, and tools to empower lenders and businesses

## Spintly
Bangalore, India
spintly.com

Smart access control that replaces badges, fobs, and keys with your smartphone

## Epilogue Systems
Villanova, PA
www.epiloguesystems.com

Create in-app guidance and training resources for accelerated adoption of enterprise software

## Loliware Inc.
San Francisco, CA
loliware.com

World's first seaweed pellet that can be processed on existing plastic equipment
